

HOW TO PARTICIPATE

COMMUNITY FOUNDATION OF NEW JERSEY

Establishing a fund at the Community Foundation of New Jersey is very easy to do. We offer a full range of funds designed to meet your philanthropic goals and interests. Our team is available to help you determine the right type of fund based on your goals, and help you get the best results from the fund over time.

LEGACY FUNDS

Like many donors, you may be passionate about particular communities, causes, or institutions. Your **Legacy Fund**, stewarded by the Community Foundation, gives you a flexible vehicle to meet evolving, future needs on the issues and places you care about. With this fund type, you entrust the Community Foundation to fulfill your legacy in line with your philanthropic intent – its sole mission, and unique among its peers.

DONOR ADVISED FUNDS

Donor Advised Funds are our most popular and flexible fund type, allowing you to support a wide range of organizations and issues, now and in the future. Our team is available to advise on achieving the most favorable tax treatment and the greatest impact of the fund in your community, wherever that may be.

SCHOLARSHIP FUNDS

Scholarship Funds are an effective vehicle to help young people achieve their dreams of an education. Of course, the diversity of schools, academic programs, and student interests make achieving that dream unique to every young person. That is why we offer a range of Scholarship Fund options that enable students to succeed in a variety of ways.

CHANGEMAKER PROJECTS

The Community Foundation invites fundholders who wish to amplify their philanthropic impact to participate in its **Changemaker Projects**. Designed to deliver a high return, the projects are carefully-curated and focused on some of our communities' toughest or most overlooked challenges – most recently human trafficking and deficiencies in the juvenile justice system. **Changemaker Project** participants may help steer the projects and receive progress briefings on how they are achieving the greatest impact.
