

## Because **Tomorrow** Still Matters.

At CFNJ, your legacy can evolve even as the world changes.

We can help you support the causes you love in a way that's:

Personal ✓  
 Powerful ✓  
 Lasting ✓

Use our short checklist to get started on designing a legacy fund that gives you the confidence that your values will live on.

**Personal.**

**1) Where are the communities and/or regions I want to benefit?**

**Powerful.**

**2) What charities and/or causes should my legacy giving support?**

**Lasting.**

**3) How long should my philanthropic legacy last?**

# Your Life, Your Legacy.

Hundreds of individuals and families have worked with us to design legacy funds that best capture their philanthropic intent.

You may create a legacy fund as part of **a will**, through **a bequest**, or through **a letter of agreement with CFNJ** — which is a nonprofit 501(c)(3) public charity.

We can work with your family's attorney or wealth advisor to design the fund and desired language.
